### Biography

Edward Hynes is a Senior Associate with Clausen Miller based in the Chicago Office. He concentrates his practice in civil litigation in the areas of casualty, professional liability, employment, and school law. He also works on property tax and property tax appeals issues on behalf of local government entities.

Ed represents and defends a variety of clients, including, school districts, park districts, administrators, physicians, hospitals, and various other individuals, local government entities, corporations and other businesses, and their boards.

Ed is a graduate of the University of Southern California and the Georgetown University Law Center. Prior to joining Clausen Miller, Ed was a staffer in the United States Senate where he worked on public health and judiciary issues.
